TOURNAMENT COMMITTEE

The tournament committee shall consist of the golf course pro, tournament director, and three coaches not associated with the play in question. The tournament committee will rule on all disputes and irregularities that may occur in the tournament.

ROSTER OF TEAMS

The top three teams from Wesco North and Wesco South, top two teams from the Northwest Conference, and top 70% of golfers from each respective conference will advance to the district tournament. Qualifiers must meet +9/+18 criteria in order to participate in the district tournament. Schools that do not have a qualifier within the top 70% of players will be allowed one entry as long as they have met the +9/+18 stroke criteria. Ranking will be based on regular season and conference championship point totals. Statistics for qualification will be kept by Mike Leonen of Archbishop Murphy, Darrell Olson of Everett and David Smith of Oak Harbor. Approximately **64** golfers will qualify. Tee group pairings will be done by season ranking. Schools with four or more players qualified will compete as a team for state and the district championship. Play five score four format will be used. A school is allowed no more than 6 qualifiers. Any school with more than five players must declare their team roster; this roster of five can be selected at the coach's discretion. Once a team of five (5) has been designated the roster cannot be changed after the tournament has started.

DAY TWO

Individual and team scores will be used to advance to the second day of competition: 8 teams and 16 for individuals (or any player within 10 strokes of the leader) will compete for state qualification.

Note: The 8 teams that will compete as a team on Day 2 will be based on Day 1 results (This may include a school that was not one of the original 8 automatic qualifying teams). Players on an automatic qualifying team that did not qualify for Day 2 as a team may still advance to Day 2, but only if they qualify as individuals. Any school with four or more players competing on Day 2 may still post a team score on Day 2 and thus still be eligible for the team championship.

QUALIFYING FOR STATE

Contestants will be entered into the tournament by their head coach. All contestants entered will be competing for District 1 honors. Top four (4) teams (five players) and eight (8) individuals qualify for the State Tournament, 9th and 10th players will serve as alternates. Ties for first place and alternate positions will be played off using a single hole playoff. If ties exist after the first hole, the tie breaker play will continue until the tie is resolved.

DRESS CODE

All players will wear neat and clean golf appropriate slacks or tailored shorts and a neat and clean shirt with a collar or mock turtle. **Team shirts/colors are preferred.** No jeans. Players not conforming to this dress code will forfeit participation, as per tournament committee. Appropriate rain pants will be allowed over golf appropriate pants due to inclement weather.

RULES

- A. USGA rules will govern, except in cases of local ground rule changes. The Committee will serve as the governing body in all rules questions.
- B. Tournament individual scoring will be stroke play. All holes must be played out to completion. Failure to do so will result in disqualification. Contestants will keep each other's score within each foursome. **(NEATLY PLEASE)** The tournament official scorer will not accept scorecards unless they are signed by both the individual player and HIS/HER marker. Penalty for inaccurate scorecards that allow the player a lower score is an automatic disqualification. Players who sign an inaccurate card, but the score is higher will not be disqualified and that score will stand.
- C. All putts must be holed out according to USGA rules. Failure to do so will disqualify the player.

- E. Club Throwing or Breaking - There shall be a **two-stroke penalty** for intentionally throwing or breaking a club. Should a second offense occur, the individual will automatically be disqualified from further tournament play.
- F. The tournament committee has the right to assess a penalty to an individual, coach or team for any unsportsmanlike behavior reported to the tournament director, prior to the conclusion of the event.
- G. Competitors may not use cell phones. From the time an individual's group begins play, a ringing cell phone and/or use of a cell phone on the course will result in a two-stroke penalty for the first infraction. A second infraction will result in disqualification.
- H. No caddies will be permitted. It is permissible for a player to pull his/her own golf cart.
- I. On the day of the tournament, practice is restricted to the putting green and the practice range area only.
- J. Coaches: 1-2 golfers, 1 coach; 3 + golfers 2 coaches. Coaches may give advice to their players from the tee to the green and after a player has completed a hole and the player has left the putting green. Coaches may not go on the green or in the hazards on the course. Coaches may not carry clubs or push player's carts. The coach must not cause a player to delay play.
- K. Galleries are permitted. However, all spectators are to maintain a fifty **(50)** foot distance from the competitors, refrain from coaching, and observe the etiquette of golf. If this rule is violated, the player involved will be disqualified and the spectator asked to leave.
- L. The tournament manager will cover the regulations and format with the coaches before the tournament. Coaches, in turn, should review these rules and regulations with their players before the tournament.
- M. Technology: Players and coaches may use distance measuring devices for the Northwest District Golf Championships with the following stipulations.
 - a. Devices that calculate slope, wind, speed, temperature, etc. in addition to yardage are not permitted. Use of devices that calculate slope, wind, speed, temperature, etc. will result in disqualification of any player that utilized the device or information. (Point and shoot distance range finders only)
 - b. GPS devices on cell phones and GPS watches are not permitted. Use of either will result in disqualification.
 - c. In each pairing if any player or coach uses a measuring device then all players in the pairing will have access to the information. Failure to share information, if requested, or providing inaccurate information constitutes a sportsmanship violation.

 - 2nd offense – Two stroke penalty*
 - 3rd offense - Disqualification*

PACE OF PLAY

Rule 5.6a and 5.6b of the Rules of Golf states: "You must not unreasonably delay play, either when playing a hole or between two holes.", and the committee does reserve the right to enforce this rule.
