QUAL TIMES: Qualifying times are on the WCD3 web site, www.wiaadistrict3.com .

For a diver to qualify for the WCD III diving Championships all divers must do 2 things:

1.) Attend at least 1 WCDIII posted 11-dive competition, and finish meet successfully by having no more than one incorrect dive.

2.) Attain the WCD III qualification standard at any of the WCD III posted 11-dive meets, or at their league championship meet.

* If a Diver has not attempted an 11- dive meet as stated above in item 1, they will not be Wild Carded into WCD III Swim/Dive portion of the meet.

PSYCH SHEET: The psych sheet will be e-mailed to head coaches and posted at www.wiaadistrict3.com as soon as all entries are submitted and reviewed.

ENTRY RULES: Remember the following items when entering athletes:

1. Please verify that your entries are correct before submitting them. Changes will not be accepted after the 9:00AM entry deadline.
2. Ensure your divers are entered into event 5 of the TM file and they are entered through cleanentries.com.
3. No exhibition athletes allowed.
4. No advancement to Districts from Leagues or Qualifiers, unless this is one of your 4 (four) entries per event.
5. Teams should submit up to **4 (four) alternates per qualified relay entry**, for a total of 8 (eight) names per relay. Your State Meet entries are required to use the same 8 (eight) athletes in each respective relay entry, so please plan accordingly.

EVENT LIMIT:

- **Each individual is limited to 4 (four) events, either 2 (two) individual events and 2 (two relays), or 1 (one) individual event and 3 (three) relays. Each team is limited to 1 (one) relay team in each relay event and 4 (four) individuals in each individual event. These limits include wildcard submissions. IF you are entering an athlete for wildcard consideration, you must only enter them into two individual events!**
- **Entry Limits:** An athlete may ENTER a maximum of 2 individual events and 3 relays. However, an athlete may only COMPETE in a maximum of four events in total: two individual events and two relays or one individual event and three relays. Once the entry deadline has passed no entry changes, withdrawals or additions may be made to individual or relays events.
- **Team Entry Limits:** Each team may enter a maximum of four swimmers per individual event and one relay per relay event.

WILD CARDS:

- If, after entries are submitted, we do not fill out 4 heats for the preliminary meet based on the time standards, then the next fastest swimmers will fill the heats by wild-card invite based off swimmers' times entered from the season. **The 500 freestyle will only fill out to 3 heats unless we have 19 or more swimmers entered with qualifying times.** Coaches need to submit their wildcard hopefuls with their initial entries using their swimmers best verifiable time from the season. Swimmers that are wildcard hopefuls are still limited to the 2 individual event rule and must only be entered into two individual events with their wildcard times.
 - **Swimmers** –If there are lanes available in an event after the qualified swimmers have been seeded, swimmers nominated as “wild card entries” will be entered, based on time, until all empty lanes in an event are filled, or up to four heats (three heats in the 500 freestyle) are filled. Potential wild card entries need to be listed in team manager. **ENTER your potential individual swimming wild card entries.**
 - A “wild card entry” counts towards the swimmer’s 2 individual events even if a swimmer is not ultimately entered in the event.

- Enter potential wild card entries just as you would any other entry. Remember, there is a limit of 4 entries per team per event. Do not mark them exhibition.
 - **Divers** – The top 24 divers will be entered into districts based on their best 11 dive score from the season. Coaches should submit their divers into event 5 with their entries using their best 11 dive score from the season.

For a diver to qualify for the WCD III diving Championships all divers must do 2 things:

- 2.) Attain the WCD III qualification standard at any of the WCD III posted 11-dive meets, or at their league championship meet.

*If a Diver has not attempted an 11- dive meet as stated above in item 1, they will not be Wild Carded into WCD III Swim/Dive portion of the meet.

- **Relays** – Every school gets 1 relay team in each relay event. Add the relay to your entry file.
- After the psych sheet is emailed and published, every team that receives a wild-card invite is required to email Mark VanHuis with their **acceptance or rejection** of each of their athlete's invitations by Monday, **OCTOBER 27th** at 6:00 P.M.

- All relays must be correct in Team Manager and have all 8 names listed in Team Manager.
- *The same eight swimmers remain on a relay if it should advance to the State Meet.* WIAA rules forbid changes to the 8 potential members of a relay between Districts and State.

- You cannot add or change the 8 names after the entries after the 9:00AM entry deadline.

ALLOCATIONS:

- The top **5** fastest times from each event (finals night only) will be allocated to the State meet.
 - This means that any swimmer from the finals or consolation heat can allocate to state if they have the top **5** fastest times. Awards will only be given to those that placed in the finals heat of each event.
 - **WCD III Allocation Tie-Breaker Rule:** In the event of a tie for a place finish that would fill the final allocation spot for the state meet a "Swim-Off" will be required. Lanes will be assigned by draw. No preferential advantage will be granted to the swimmer of a particular heat. The meet referee will coordinate with the swimmers and coaches involved in the swim-off to determine when the tie-breaker will take place during the meet. The tie-breaker must be concluded on the same day as the tie. A swim-off may not be necessary if one of the swimmers conceded their allocation spot to the other swimmer(s). Concessions must be made with all parties involved: swimmers and coaches, in front of the Meet Referee and Meet Director.

CURRENT NFHS RULES:

- All current NFHS rules are in effect unless otherwise noted in this document or discussed at the coaches meeting. In the event of a protest, a Meet Committee will be assembled by the Meet Director and will only include the Meet Director and Coaches not directly involved in the protest.
- All protests must be in writing and turned in to the Meet Director within 30 minutes of the event or incident.
- Judgment calls are not subject to protest.

Please pick up your heat sheets, deck passes, and other information from the check-in table or Meet Director upon arrival and before the coaches meeting. If you require passes for managers, they need to be emailed to the Meet Director along with your entries as part of your pass list. If they are not included, they will have to pay and sit up in the stands with fans.

The pool deck is only for participants, coaches, and managers with passes. Team members who are not participating will be asked to leave the facility. Please assist meet management with policing your own team.

Please enter all swimmers you hope to have swim in the meet. This includes wildcard hopefuls, as we will not be pulling wildcards from regular season league meets. You MUST enter all your wildcards from verifiable season times.
