Hey Clay,

Per our conversation, here are the steps for Golfers to sign up.

1. Download the WIAA Golf from the App Store, Google play store
2. Sign up with an email and password
3. Select their role - either Golfer or Coach
4. Select their school and the roster
5. Then they would select their name if they see it or "Add me as new Golfer"
6. They would then confirm the information and complete the membership

For Coaches:

1. Download the WIAA Golf from the App Store, Google play store
2. Sign up with an email and password
3. Select that they are a coach
4. Select their school
5. Select what roster they coach
6. Confirm membership

For more in depth information for coaches, please open the attachment labeled "Coaches Manual"

And again, please contact us with any questions.

Sincerely,
