- Event apparel provided by Rush Apparel. You may preorder online starting March 3 at 8:00 am. Preorders close on March 10 at noon. The link will be posted <https://rushteamapparel.com/wcd3preorders/>. The booth will be set up from 10 am to 5 pm.

Video and Photography

The Washington State Dance/Drill Coaches Association asks that you not record performances other than those of your own team. This is to protect student privacy and choreography. Spectators should not use flash photography; it can be a dangerous distraction to performers.

Sportsmanship

Dance/Drill teams pride themselves in promoting a positive environment, supporting all teams, and treating judges with respect. Show your support by cheering and clapping when you see something you like in a performance! Make sure judges have a clear line of sight so they can judge all routines fairly.
