

2026 2A District 2 Tennis Championships

Southwest Athletic Complex (Chief Sealth HS)

2600 SW Thistle, Seattle WA 98126

May 12-13, 2026

Tournament Director: Sam Reed, Athletic Director, Seattle Prep – sreed@seaprep.org

State Qualifying: The top 2 qualifiers from the District tournament will advance to the State Tournament, held May 22-23 at Nordstrom Tennis Center, Seattle WA.

Schedule: See attached schedule for matches. All players are expected to report to the tournament desk at least 30 minutes prior to their scheduled start time, unless previously stated otherwise by tournament schedule. *USTA rules regarding lateness will be followed (2011 USTA Regulations IV.D.19).*

Accommodations: The tournament desk will do everything possible to ensure the tournament runs on time. Some matches may begin before their posted times because of court availability. AP/IB testing accommodations will be considered – when possible – for the District tournament (e-mail testing conflicts in advance to sreed@seaprep.org). No other school or personal schedule accommodations should be expected/requested.

Balls: Each entrant should provide 2 cans of balls per player/doubles team entered in the tournament.

Rules: USTA rules apply (except for changes shown below) along with Metro & KingCo league rules, such as the point-penalty system. If contestants need a linesperson, they should contact the tournament desk through their coach. Coaches from participating schools will be required to officiate.

Matches: Best 2-out-of-3 sets with regular scoring throughout. Players are expected to change the scorecards at changeovers. Some players may be asked to play 3 matches in one day. Suspended matches completed the following day will be considered one of the “3” matches for that day only if 16 or more games of singles or 20 or more games of doubles are played (2011 USTA Regulation II.D.12.Table 6).

Rest Periods: Players will be entitled to a rest period of at least 30 minutes between matches. Players should still check in 30 minutes before the estimated start time of their next match (unless previously stated otherwise) so that the tournament desk can inform the player of any changes.

Injury/Default: If a player defaults a match due to injury, the player must provide a medical note from a licensed medical professional before continuing in the tournament.

Conduct: Code of Conduct violations are to be reported to the tournament desk immediately. School coaches are not to call penalties on players. Tournament directors may default players for misconduct at any point.

Uniforms: Players must wear their school-approved tennis uniform/t-shirt, and all uniforms must comply with WIAA regulations. Players will be asked to change clothes if they fail to comply.

Coaching: While players are on the court, no coaching is permissible by coaches or other adults or other players. A designated school coach is allowed to coach players for 2 minutes between sets 1-2 and up to 10 minutes between sets 2-3, up to 90 seconds on all changeovers and any official suspension of play.

Games Committee: Will consist of the Tournament Director, one coach from Metro and one coach from KingCo (depending on which coaches are available at the given time).
