## **Post Season Playoff Supervision**

Each school participating in a post season team sport tournament must have an administrator or designee present at all contests involving their school. It is incumbent on each school to deem which individual sport(s) will need an administrator or designee for supervision. It is not the job of the Tournament Director to address fan behavior during these contests. When problems arise, it is expected that the two school administrators will work together in a timely way to share information and problem solve solutions. It is the school's responsibility to keep fans off the playing field/floor at all times, particularly at the conclusion of the games. The home-site administrator shall provide a suitable site and supervision for an ejected player or coach.
